4Factories / 13Parts

Officer : 21 People
Worker : 66 People
Total : 87 People

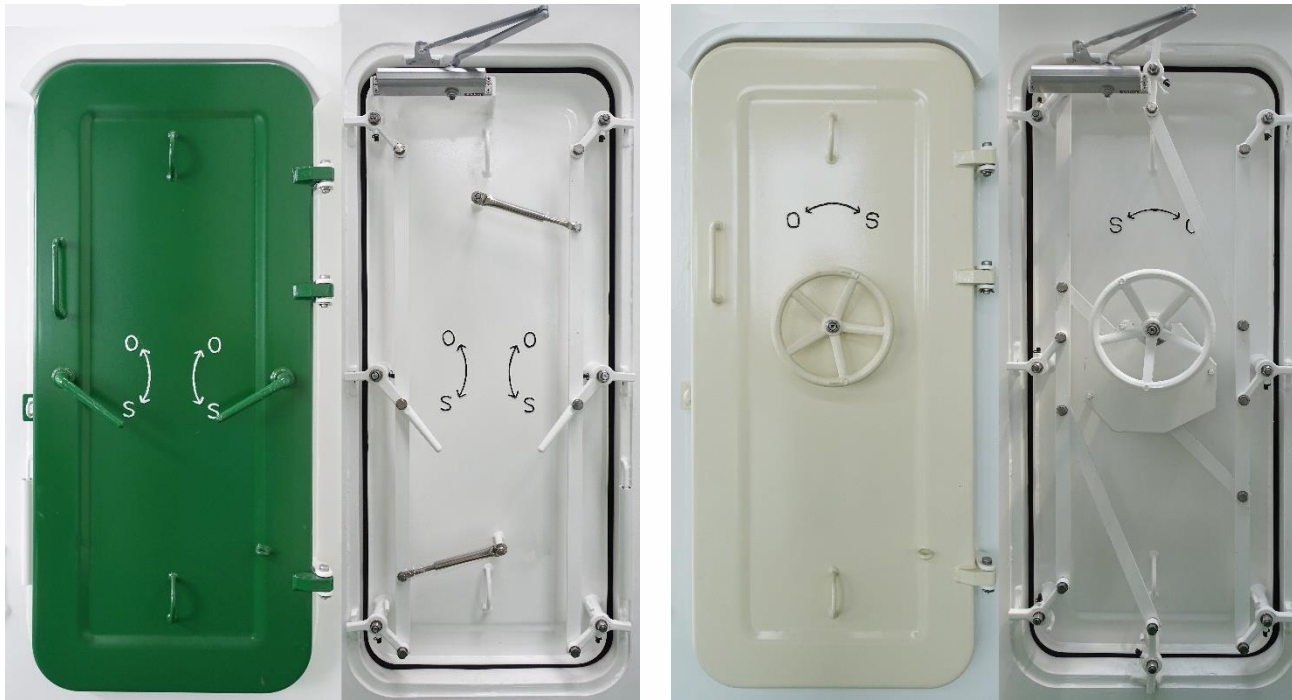

4. The goal of company

5. Major Products

The types of Steel or Aluminum Watertight Door and Weathertight Door

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method.
(12 related patents)

5. Major Products

A60 / A0 Fire Class Weathertight Steel Door
(Central Locking Type)

Professional manufacturer of high quality Steel Door & Hatch with modern
manufacturing method
(12 related patents)

5. Major Products

A60 / A0 Fire Class Weathertight Steel Door (Wheel Type)

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

A60 / A0 Fire Class Weathertight Steel Door (Double Door)

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

A60/A0 Naval Structure Door

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

Hydraulic Watertight Sliding Door

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

Hydraulic Pilot Door

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

Spring type Watertight Hatch

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

Oil Tight Swing Hatch

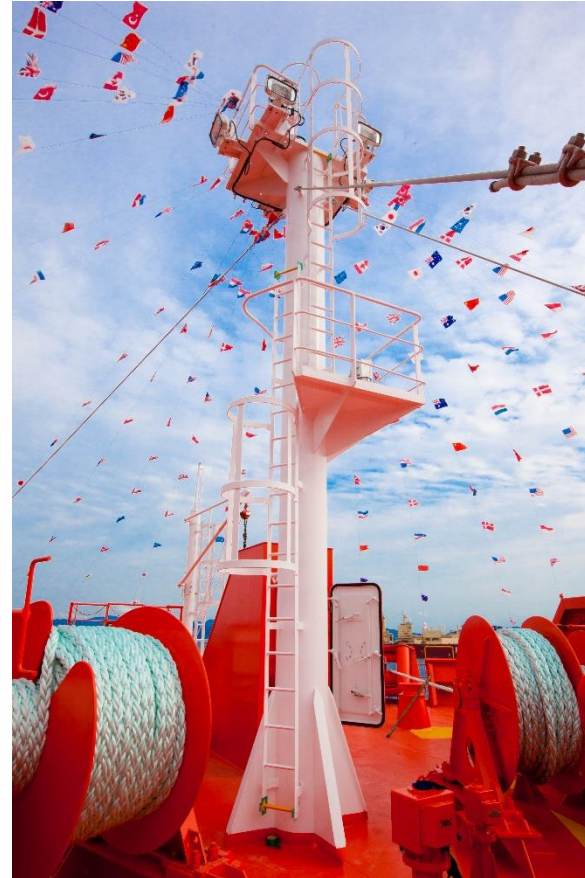

Professional manufacturer of high quality Steel Door & Hatch with modern manufacturing method
(12 related patents)

5. Major Products

Radar Mast

Fore Mast

The company has a specialized production shop that can produce large steel items. And the company has stable quality and timely supply ability through many delivery records.

5. Major Products

Radar Mast

(Signal Tilting Post)

Telescopic Post

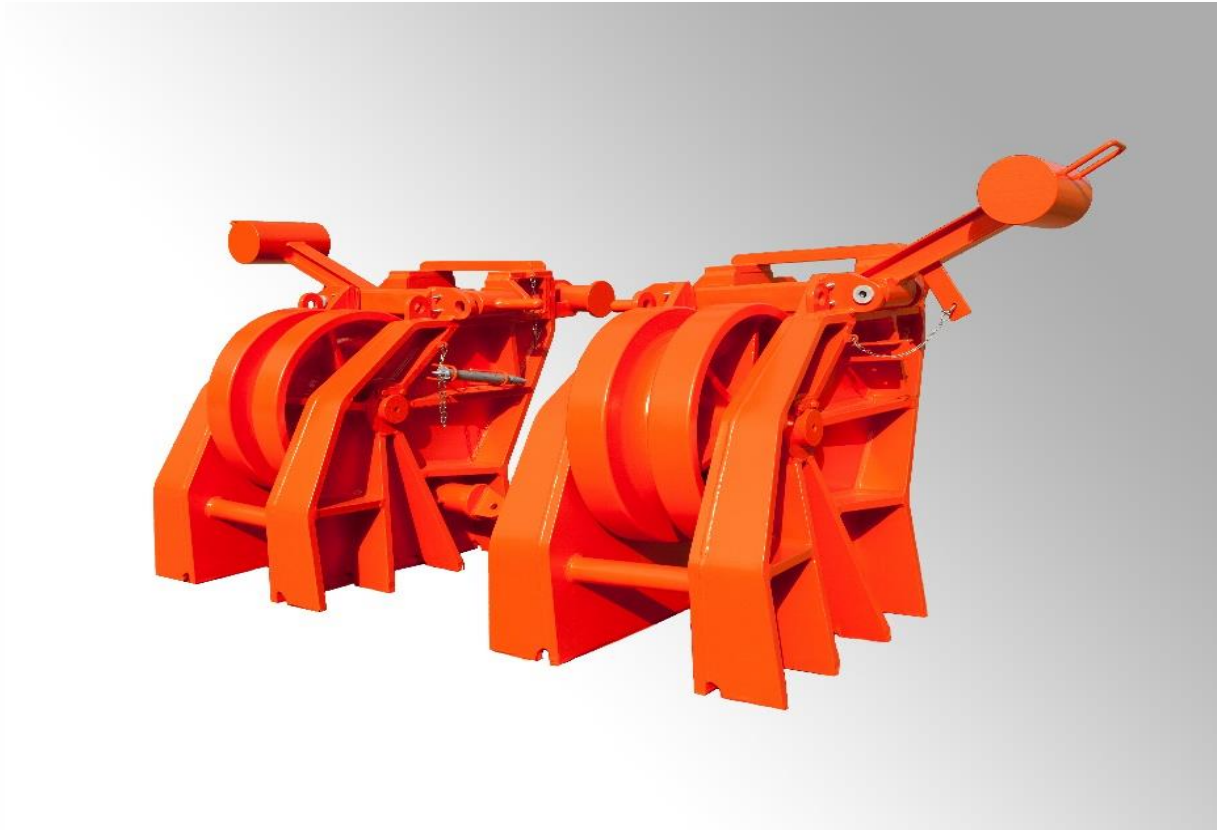

(Signal X-Band, S Band Post)

The company has a specialized production shop that can produce large steel items. And the company has stable quality and timely supply ability through many delivery records.

5. Major Products

Anchor Chain Stopper

The company has a specialized production shop that can produce large steel items. And the company has stable quality and timely supply ability through many delivery records.

5. Major Products

Bollard

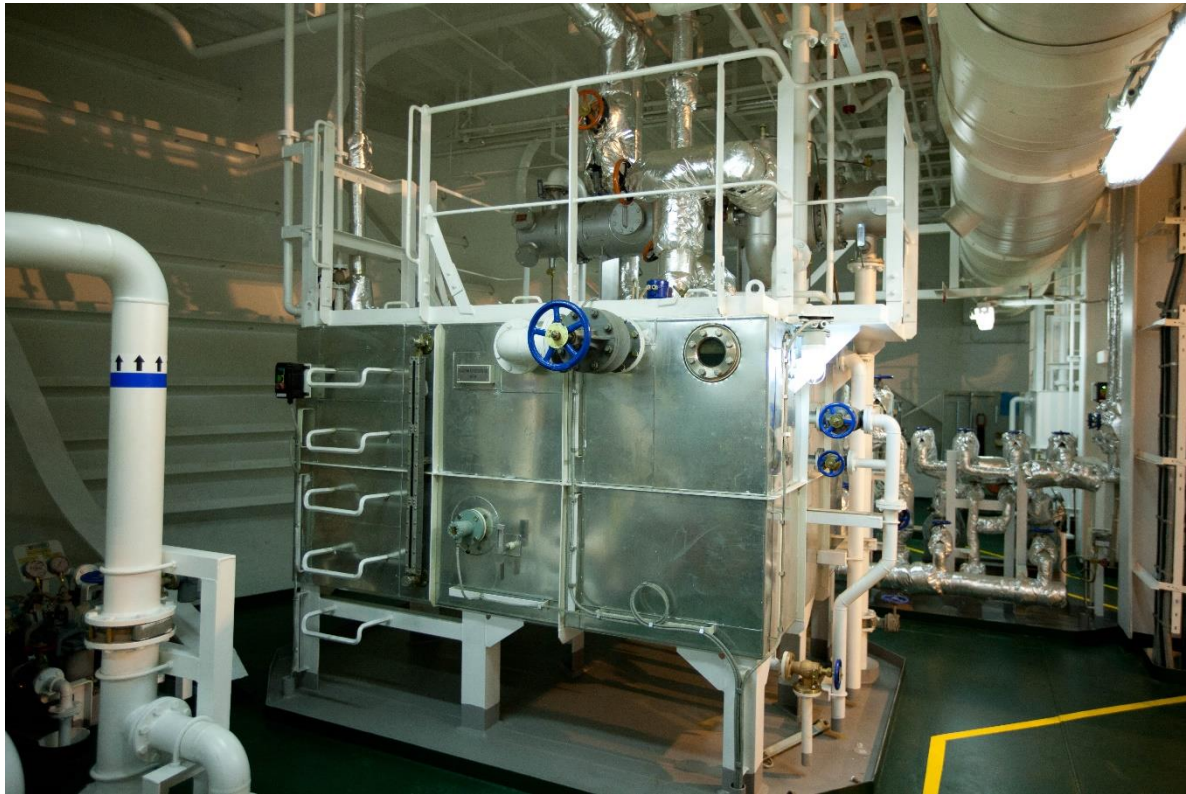

Closed Chock

The company has an organization that specializes in Mooring Fittings, and all parts are laser cut to produce high precision products.

5. Major Products

Cascade Tank Unit

The company has produced a large number of Portable Tank so far, and especially since 2019, it has been producing '**Unit type Portable Tanks**' by its own design.

5. Major Products

L/T F.W Exp. Tank

The company has produced a large number of Portable Tank so far, and especially since 2019, it has been producing '**Unit type Portable Tanks**' by its own design.

5. Major Products

M.G.O Tank

The company has produced a large number of Portable Tank so far, and especially since 2019, it has been producing '**Unit type Portable Tanks**' by its own design.

5. Major Products

Spill Tank

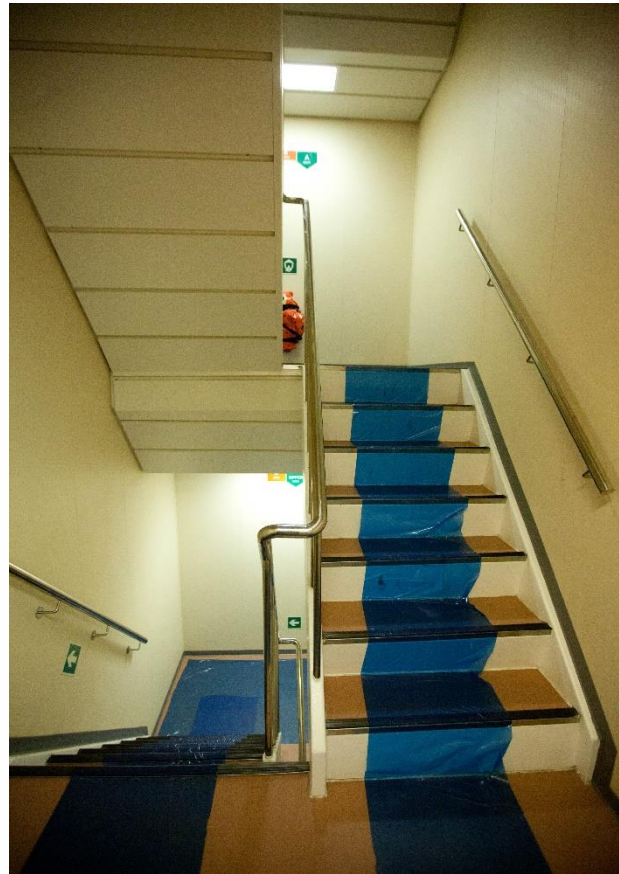

The company has produced a large number of Portable Tank so far, and especially since 2019, it has been producing '**Unit type Portable Tanks**' by its own design.

5. Major Products

Circular Staircase

Stairway Body

The company manufactures and paints the above products, and installs them directly on the ships of customers.

5. Major Products

Window Box

Table Leg / Seat

5. Major Products

Steel/SUS Channel & Angles

Scupper Head

Access Hatch

Grill Shutter

5. Major Products

Non Magnetic Handrail

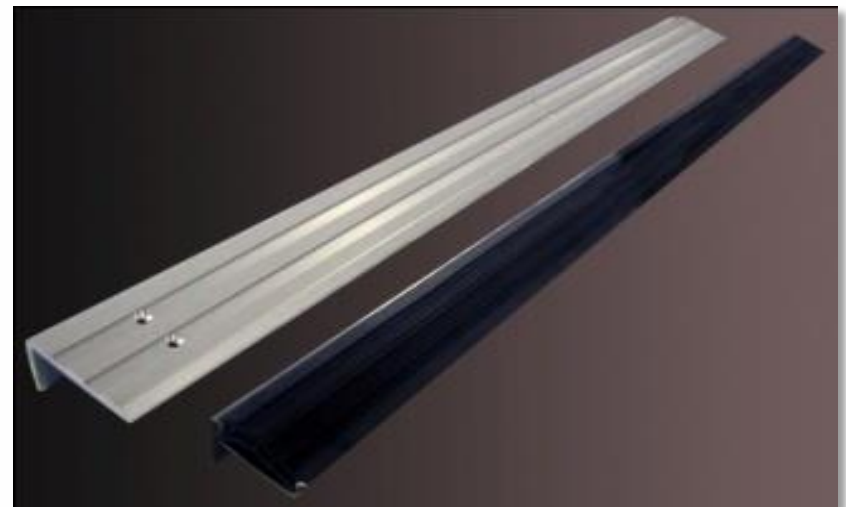

Stormrail

Plinth (Batten) & Floor Skirt

Non Slip Nosing

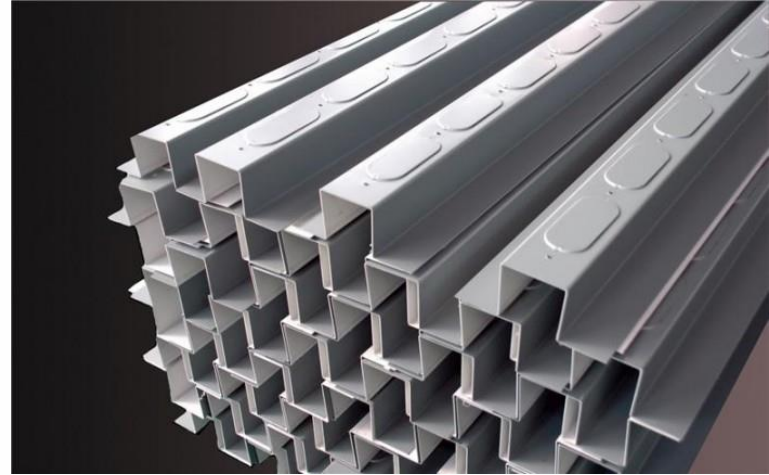

5. Major Products

Accommodation Hardware

Top & Bottom Profile

Cable Band Hoop

6. New Products

HWPM (High Pressure Water Mist) System

Government
Research Products

HWPM System Fire Extinguishing Test

Main Components
